Premium Comfort. Timeless Style.

Intro

VELSAR APPARELS

Premium Comfort. Timeless Style.

At Velsar Apparels, we specialize in manufacturing high-quality T-shirts designed for comfort, durability, and modern style. With advanced production techniques and carefully selected fabrics, we deliver products that meet both fashion trends and industry standards.

From basic essentials to premium collections, our garments are crafted to suit brands, businesses, and bulk buyers looking for reliability and excellence.

About us

Velsar Apparels is a trusted T-shirt manufacturing company committed to delivering superior quality garments with precision and consistency.

We focus on:

- High GSM fabrics for durability and comfort
- Trend-driven designs and modern fits
- Wide range of styles including Oversized, Regular Fit, Polo, and Washed T-shirts
- Strong quality control at every stage of production
- Bulk manufacturing with timely delivery

Our goal is to support brands and businesses with premium apparel solutions that combine style, strength, and affordability.

WHO WE WORK WITH

We partner with a wide range of businesses looking for reliable, high-quality apparel manufacturing:

- Fashion Brands & Startups
- Streetwear & Lifestyle Labels
- Corporate Companies & Uniform Suppliers
- E-commerce & D2C Brands
- Printing & Merchandising Businesses
- Event Organizers & Promotional Companies

We support both growing brands and established businesses with scalable production solutions.

MOQ DETAILS (Minimum Order Quantity)

We offer flexible MOQ options to suit different business needs:

- Basic Styles: Starting from 100 pcs per design
- Custom Designs: 200– 300 pcs (depending on complexity)
- Fully Customized Production: 300+ pcs recommended

Lower MOQ may be possible for trial orders (on request)

LEAD TIME

Our production timeline is structured for efficiency and reliability:

- Sample Development: 5 – 10 days
- Sample Approval: 2 – 3 days
- Bulk Production: 10 – 25 days (based on quantity & customization)

Timelines may vary depending on order volume and fabric availability

Fast-track production available for urgent orders

EXPORT CAPABILITY

We are equipped to handle both domestic and international orders with ease:

- Worldwide shipping support
- Secure packaging & export-ready handling
- Experience in bulk export logistics
- Flexible documentation support (as per buyer requirement)
- Consistent quality standards for global markets

We aim to be a trusted manufacturing partner for brands across the globe.
